Note: This oil pattern is made for all Sanction Technology lane machines. However, the state of common wear items like the buffer brush, or different oil transfer systems, or different types of lane oil and lane cleaner, and of course lane surface topography and wear, can make the oil pattern play different from center-to-center and from lane machine-to-lane machine. It is always best to let your ball be your guide and adjust accordingly. Good luck and good bowling!
